DENTAL TEAM BUILDING - OMG! OFFICE MANAGEMENT GUIDE®

PES HOSTED SPEAKER:
Global Team Solutions:

Global Team Solutions redefines traditional practice management consulting by offering the highest quality service through relevant, measurable & sustainable solutions to address all business issues. They

work with practices to improve performance, comply with complex regulations, reduce costs, leverage technology and stimulate growth.

Denise Ciardello is a professional speaker, published author, and co-founder of Global Team Solutions, a practice management consulting firm that brings clinical and administrative teams together through customized

practice development and coaching. She is an expert in efficient business systems and helping practices improve marketing results, professional image, and the bottom line. Her enthusiasm and knowledge for the dental profession has motivated many dental teams.

Janice Janssen - With 25 years' experience in the dental and practice management fields, Janice Janssen has served as a dental hygienist and in various capacities including office management, insurance billing and collections.

Her zeal for a proven successful periodontal program is of utmost importance when working with dental hygienists around the country.

OMG! Office Management Guide[®]

Office management is an essential element of any practice. Practice owners, dentists and managers are expected to know all, be everywhere, and ensure a smoothly operating office every day. Office management personnel will be given the tools necessary to manage a dental practice with confidence. This course is ideal for start-up offices as well as established practices.
