Southern France River Cruise

Avignon to Lyon on Uniworld S.S. Catherine

July 19 – 26, 2020

7-Night All-Inclusive Rhône and Saône River Cruise Past Medieval Villages & Rolling Vineyards

Join PES and journey through Burgundy & Provence to visit picturesque places adorned with Roman ruins, stroll down enchanting cobblestone alley-ways, and sip fine local wine atop panoramic hills!

River Cruise Itinerary Highlights:

- Visit **Avignon**, the heart of Provence, and see the medieval Palace of the Popes and Pont du Gard, both UNESCO World Heritage Sites
- Stroll through **Viviers**, an enchanting town with cobblestone lanes
- Discover Roman ruins and medieval architecture in ancient **Arles**, a city that was the inspiration for over 200 Van Gogh paintings
- Enjoy a glass of wine overlooking France's oldest medieval twin cities, **Tournon** and **Tain-l'Hermitage**, nestled among vineyards
- Journey to **Lyon**, the gastronomic capital of France
- Explore **Beaune**, the center of the Burgundy wine-making region

All-Inclusive River Cruise Package:

- Free daily exclusive shore excursions led by English-speaking local guides and free use of bicycles and Nordic walking sticks
- All meals included featuring regional and international cuisine
- Unlimited beverages onboard including fine wine, beer, spirits, soft drinks, specialty coffee, tea, and mineral water
- Pre-paid gratuities and included transfers between airport and ship
- Complimentary shipwide Internet and Wi-Fi access
- Luxurious public areas including a well-equipped fitness center, onboard local entertainment, spa, sun deck, and pool

The Professional Education Society invites you to join our CME/CE Lecture Seminar for Medical, Dental, Nursing and Allied Healthcare Professionals

JOINT MEDICAL & DENTAL SYMPOSIUM CONFRONTING HEALTHCARE NEEDS

PES Mission Statement: Our mission is to provide quality global CME/CE programs for healthcare professionals, catalyzing opportunities for collaboration with national and international colleagues, while fostering cross-cultural perspectives and partnerships in healthcare education and the delivery of quality patient care.

Seminar Overview/Statement of Purpose:

PES is fortunate to have dental and medical practitioners representing a variety of specialties participating in the CME/CE sessions. PES understands the importance of offering inter-professional healthcare education, allowing colleagues to gain cross-specialty perspectives and updates in the treatment and prevention of disease. The need to adapt best practice models in the context of emerging healthcare reforms impacting patient care delivery and access to care is an important issue for all healthcare practitioners.

France has the highest level of satisfaction with their health care system among all European countries. Physicians have adapted best practices strategies in compliance with the French universal healthcare coverage model. Although cardiovascular disease and obesity related diabetes have become significant global health issues, the incidence of these diseases in the French population is among the lowest in the world. Now, more than ever, it is important for medical professionals to collaborate with colleagues and global counterparts to gain cross-cultural perspectives and updates in the treatment and prevention of disease. By design, this program offers opportunities for medical professionals to compare and contrast current best practices to provide quality patient care and outcomes in their own professional setting and gain a better understanding of emerging healthcare delivery models.

Planned In Country Healthcare Topics Include:

- Organization of the French Healthcare System
- Dental Care in France: Overview and Emerging Issues
- Wellness & Stress Management for Medical Professionals
- Top Medical/Disease Issues: Challenges & Conquests
- Emerging Dental Issues: Treatment and Prevention
- Communicating with Your Patients: Best Practice Skills for Best Patient Outcomes
- Preventative Care: Evaluating the Impact of Diet & Lifestyle on Disease

Educational Goals: Our goal is to provide unparalleled CME/CE travel opportunities for healthcare professionals that combine their most passionate destination desires with their educational goals, fostering exceptional learning experiences, friendships and connections with national and international colleagues.

- Conduct educational healthcare programs to learn about best practice models reflecting current approaches in medicine and healthcare across different cultures for providing quality patient outcomes
- Provide professional educational exchanges with international colleagues, healthcare educational organizations and clinics to gain cross-cultural perspectives and updates in the treatment and prevention of disease
- Allow medical/healthcare professionals to compare and contrast current best practices in medical/healthcare delivery to provide quality patient outcomes in their own professional setting

Learning Objectives: Keep abreast of rapid expansion of medical knowledge and current best practice models on multiple topics to facilitate change and thus provide continually excellent patient care.

Continuing Education Recognition Awards offered for healthcare professionals on this PES Program include:

Physicians: Programs are reviewed by the *American Academy of Family Physicians* for a minimum of 12 Prescribed Credit Hours. AAFP Prescribed credit is accepted by the American Medical Association as equivalent to AMA PRA Category 1 credit(s) toward the AMA Physician Recognition Award. When applying for the AMA PRA, Prescribed credit earned must be reported as Prescribed, not as Category 1.

Dentists: The *Professional Education Society* is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The *Professional Education Society* designates this activity for a minimum of 12 continuing education credits.

Nurses: The *Professional Education Society* is approved by the California Board of Registered Nursing, Provider Number CEP 5428, for up to 12 contact hours. Although the California Board of Registered Nursing does not approve individual continuing education courses, providers are required by law to be approved by the Board. Reciprocity for continuing education hours for nurses is available in most states. Please check with your regulation board regarding requirements.

For Other Healthcare Professionals: Certificates of Attendance are issued to all participants attending credit sessions and can be submitted for credit approval to their professional board. In order to receive a Certificate of Attendance, registrants must sign-in, attend the programs and complete a program evaluation.

Tax Deduction: This healthcare seminar has been designed to comply with current IRS convention rules and deductibility requirements under Code Section 274(h)(1) as directly related to the conduct of the attendee's profession and meeting the reasonableness standard of the foreign seminar rules. The formal meetings will be scheduled with lectures and discussions. Seminars in conference rooms, clinics or hospitals will be conducted by in-country speakers as well as distinguished faculty of the Professional Education Society.

Documentation verifying the scheduling dates, locations, hours of attendance, certificate of participation, and appropriate certificate of continuing medical, dental or nursing education will be provided at the completion of the conference. Tax deductible benefits are not guaranteed, and we recommend that every attendee should consult with their Tax Consultant about their Individual situation to determine the appropriate amount and reporting of deductible expenses.
