Captivating Caribbean Cruise

Roundtrip Miami on Crystal Serenity

January 5 – 17, 2022

British Virgin Islands | Antigua & Barbuda | St. Lucia | St. Kitts & Nevis | St. Barts | St. Maarten | Turks & Caicos

Please Note: Crystal requires all guests to be fully inoculated with a COVID-19 vaccine.

Close-to-Home Getaway, Roundtrip Miami! Join PES and cruise the idyllic isles of the Eastern Caribbean for 12 nights in all-inclusive luxury. Rejuvenate and indulge while exploring the white sands and crystalline waters of a tropical paradise!

Cruise Itinerary Highlights:

- From **Tortola** in the **British Virgin Islands**, visit the Baths at Virgin Gorda, zipline in the jungle, or enjoy some prime snorkeling
- In **Antigua & Barbuda**, swim with stingrays or horseback ride on the beach
- See **St. Lucia's** dramatic mountain pair, go deep sea fishing, or kayaking
- **St. Kitts & Nevis** are perfect tropical escapes with lush rainforests and golden beaches with clear-water snorkeling
- Visit the celebrity hideaway of **St. Barts**, considered the most glamorous island in the Caribbean, with high-end shopping and pristine beaches
- In French & Dutch-influenced **St. Maarten**, explore the historic district, set sail on a catamaran, or board a yacht from the America's Cup
- **Turks & Caicos** is your adventure getaway – scuba diving, ATV rides, clear-bottom kayaking, and stand-up paddleboarding

All-Inclusive Cruise Package:

- Extraordinary Michelin-inspired cuisine in a variety of elegant, open-seating restaurants and cafés and 24-hour room service
- Unlimited fine wines, champagne, and premium spirits, plus fresh juices, soft drinks, specialty coffees, and afternoon tea service
- Gratuities for all housekeeping, bar, and dining staff
- Luxurious ship amenities including a fitness center with wellness programs, spa, sun deck and pool, and award-winning Broadway-style entertainment, plus vocalists and a piano bar
- Unlimited Wi-Fi throughout the ship
- Personal Butler service in Penthouses and Suites
- \$250 shipboard credit per person

The Professional Education Society invites you to join our CME/CE Lecture Seminar
for Medical, Dental, Nursing and Allied Healthcare Professionals
Symposia on Hospital, Palliative, Primary & Dental Care

PES Mission Statement: Our mission is to provide quality global CME/CE programs for healthcare professionals, catalyzing opportunities for collaboration with national and international colleagues, while fostering cross-cultural perspectives and partnerships in healthcare education and the delivery of quality patient care.

Seminar Overview/Statement of Purpose:

Healthcare practitioners are currently faced with the challenges of both treating and preventing the ever-increasing incidence of chronic diseases in the US population. The need to adapt best practice models in the context of emerging healthcare reforms impacting patient care delivery and access to care is an important issue for all healthcare practitioners. PES is fortunate to have dental and medical practitioners representing a variety of specialties participating in the CME/CE sessions. PES understands the importance of offering inter-professional healthcare education, allowing colleagues to gain cross-specialty perspectives and updates in the treatment and prevention of disease.

The changing epidemiological profile of the populations in the Caribbean Islands, with an increase in morbidity from diabetes, heart disease and cancer, poses challenges to the current public health systems. Reducing the burden of chronic disease in a multi-ethnic population also necessitates the need for healthcare practitioners to understand the importance of employing “cultural competence” in treating these diverse populations to provide quality patient care and outcomes. Addressing these current healthcare needs in the Caribbean has focused on integrating health services and delivery networks to improve access to a continuum of primary care as the best model for disease control and prevention.

Planned In Country Healthcare Topics Include:

- Reefer Madness: the Myths, Data and Unanswered Questions of the Medical Marijuana and CBD Craze
- The Science Behind the Mask
- A Bloody Triumph – the Amazing, Frightening and Humorous History of British Medicine (and beyond)
- Oral Health and its role in Overall Health
- Medical Ethics: Past and Present
- Advance Care Planning: A Practical Approach for Providers, and Everyone Else
- Palliative Care and Hospice: An Overview for all Care Providers
- Travel Medicine & Medicine at Sea

Educational Goals: Our goal is to provide unparalleled CME/CE travel opportunities for healthcare professionals that combine their most passionate destination desires with their educational goals, fostering exceptional learning experiences, friendships and connections with national and international colleagues.

- Conduct educational healthcare programs to learn about best practice models reflecting current approaches in medicine and healthcare across different cultures for providing quality patient outcomes
- Provide professional educational exchanges with international colleagues, healthcare educational organizations and clinics to gain cross-cultural perspectives and updates in the treatment and prevention of disease
- Allow medical/healthcare professionals to compare current best practices in medical/healthcare delivery to provide quality patient outcomes in their own professional setting

Learning Objectives: Keep abreast of rapid expansion of medical knowledge and current best practice models on multiple topics to facilitate change and thus provide continually excellent patient care. By design, this program permits medical experts to collaborate with colleagues and international counterparts to realize cross cultural view points and updates within the treatment and prevention of disease and offers opportunities to compare and contrast current best practices to supply quality patient care and outcomes in their own professional setting.

Continuing Education Recognition Awards offered for healthcare professionals on this PES Program include:

Physicians: Programs are reviewed by the *American Academy of Family Physicians* for a minimum of 18 Prescribed Credit Hours. AAFP Prescribed credit is accepted by the American Medical Association as equivalent to AMA PRA Category 1 credit(s) toward the AMA Physician Recognition Award. When applying for the AMA PRA, Prescribed credit earned must be reported as Prescribed, not as Category 1.

Dentists: The *Professional Education Society* is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The *Professional Education Society* designates this activity for a minimum of 18 continuing education credits.

Nurses: The *Professional Education Society* is approved by the California Board of Registered Nursing, Provider Number CEP 5428, for up to 18 contact hours. Although the California Board of Registered Nursing does not approve individual continuing education courses, providers are required by law to be approved by the Board. Reciprocity for continuing education hours for nurses is available in most states. Please check with your regulation board regarding requirements.

For Other Healthcare Professionals: Certificates of Attendance are issued to all participants attending credit sessions and can be submitted for credit approval to their professional board. In order to receive a Certificate of Attendance, registrants must sign-in, attend the programs and complete a program evaluation.

Tax Deduction: This healthcare seminar has been designed to comply with current IRS convention rules and deductibility requirements under Code Section 274(h)(1) as directly related to the conduct of the attendee’s profession and meeting the reasonableness standard of the foreign seminar rules. The formal meetings will be scheduled with lectures and discussions. Seminars in conference rooms, clinics or hospitals will be conducted by in-country speakers as well as distinguished faculty of the Professional Education Society.

Documentation verifying the scheduling dates, locations, hours of attendance, certificate of participation, and appropriate certificate of continuing medical, dental or nursing education will be provided at the completion of the conference. Tax deductible benefits are not guaranteed, and we recommend that every attendee should consult with their Tax Consultant about their Individual situation to determine the appropriate amount and reporting of deductible expenses.
