Danube River Cruise

Budapest to Vilshofen on Crystal Ravel

September 19 – 26, 2021

7-Night All-Inclusive Luxury River Cruise through Hungary, Austria & Germany

Join PES & discover the heart of Old-World Europe, exploring timeless imperial cities
and the plentiful UNESCO World Heritage Sites along the regal & romantic Danube River.

River Cruise Itinerary Highlights:

- Overnight in **Budapest** to explore its dramatic history and treasure trove of architecture including the city's iconic Parliament Building
- Discover **Vienna's** imperial palaces and Baroque streetscapes with two days in port, plus a **Crystal Signature Event at the Belvedere Palace**
- Stroll **Dürnstein's** cobblestone streets and see its historic fortress
- Cruise the scenic **Wachau Valley** to see vineyards, castles & small villages
- Visit **Melk's** famous abbey, one of the most exquisite examples of Baroque architecture in Europe, and take a stroll around Old Town
- Enjoy Bavarian beer tasting and Roman history in **Passau**
- Explore **Vilshofen's** historic quarter or take a day trip to **Salzburg**, the birthplace of Mozart and filming backdrop for "The Sound of Music"

All-Inclusive Crystal River Cruise Package:

- Extraordinary Michelin-inspired cuisine in a variety of elegant restaurants and cafés, all with open seating, and 24-hour room service
- Unlimited fine wines, champagne, beer, and premium spirits, plus fresh juices, bottled water, soft drinks, specialty coffees, and tea
- Choice of complimentary shore excursions in every port & use of bikes
- Butler service in all categories, plus complimentary gratuities & Wi-Fi
- Daily onboard entertainment including lectures, themed dinners, and cooking demonstrations, plus cultural and musical performances
- Luxurious and modern public spaces including Palm Court, Vista Bar, Vista Deck, Crystal Life Fitness center, and Crystal Life Spa
- **\$250 shipboard credit per couple**

The Professional Education Society invites you to join our CME/CE Lecture Seminar for Medical, Dental, Nursing and Allied Healthcare Professionals

EXPLORING MEDICINE, DENTISTRY & THE EUROPEAN HEALTHCARE MODEL

PES Mission Statement: Our mission is to provide quality global CME/CE programs for healthcare professionals, catalyzing opportunities for collaboration with national and international colleagues, while fostering cross-cultural perspectives and partnerships in healthcare education and the delivery of quality patient care.

Seminar Overview/Statement of Purpose:

Confronting the challenges of delivering quality patient care within the face of restricted budgets and resources, and at intervals, the general framework of continuous medical care reform is quickly turning into a worldwide issue for medical practitioners. Due to the former Soviet alliance countries adopting democratic reform and structure in their socialist economies, major changes are being projected for their healthcare systems. Practitioners are facing challenges of incorporating medical care reforms into their own health system.

Thus it's time to supply an outline of the present standing of East European health care delivery systems, their impact on populations, and the way key health problems in these countries compare with the US & Canada. Examining lifespan and mortality rates for selected conditions could be used to assess potential challenges and solutions for medical reform and can function as benchmarks against which to measure future progress in improving populations' health.

By design, this program permits medical experts to collaborate with colleagues and international counterparts to realize cross-cultural viewpoints and updates within the treatment and prevention of disease and offers opportunities to compare and contrast current best practices to supply quality patient care and outcomes in their own professional setting.

Planned in Country Healthcare Topics Include:

- Advances and New Topics in Dentistry
- Management of Orofacial Disease: Part I
- Management of Orofacial Disease: Part II, Selected Case Studies and Therapeutic Approaches
- Endodontic Literature Review
- Dental Care in Austria: Delivery & Treatment

Educational Goals: Our goal is to provide unparalleled CME/CE travel opportunities for healthcare professionals that combine their most passionate destination desires with their educational goals, fostering exceptional learning experiences, friendships and connections with national and international colleagues.

- Conduct educational healthcare programs to learn about best practice models reflecting current approaches in medicine and healthcare across different cultures for providing quality patient outcomes
- Provide professional educational exchanges with international colleagues, healthcare educational organizations and clinics to gain cross-cultural perspectives and updates in the treatment and prevention of disease
- Allow medical/healthcare professionals to compare current best practices in medical/healthcare delivery to provide quality patient outcomes in their own professional setting

Learning Objectives: Keep abreast of rapid expansion of medical knowledge and current best practice models on multiple topics to facilitate change and thus provide continually excellent patient care. By design, this program permits medical experts to collaborate with colleagues and international counterparts to realize cross cultural view points and updates within the treatment and prevention of disease and offers opportunities to compare and contrast current best practices to supply quality patient care and outcomes in their own professional setting.

Continuing Education Recognition Awards offered for healthcare professionals on this PES Program include:

Physicians: Programs are reviewed by the *American Academy of Family Physicians* for a minimum of 12 Prescribed Credit Hours. AAFP Prescribed credit is accepted by the American Medical Association as equivalent to AMA PRA Category 1 credit(s) toward the AMA Physician Recognition Award. When applying for the AMA PRA, Prescribed credit earned must be reported as Prescribed, not as Category 1.

Dentists: The *Professional Education Society* is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The *Professional Education Society* designates this activity for a minimum of 12 continuing education credits.

Nurses: The *Professional Education Society* is approved by the California Board of Registered Nursing, Provider Number CEP 5428, for up to 12 contact hours. Although the California Board of Registered Nursing does not approve individual continuing education courses, providers are required by law to be approved by the Board. Reciprocity for continuing education hours for nurses is available in most states. Please check with your regulation board regarding requirements.

For Other Healthcare Professionals: Certificates of Attendance are issued to all participants attending credit sessions and can be submitted for credit approval to their professional board. In order to receive a Certificate of Attendance, registrants must sign-in, attend the programs and complete a program evaluation.

Tax Deduction: This healthcare seminar has been designed to comply with current IRS convention rules and deductibility requirements under Code Section 274(h)(1) as directly related to the conduct of the attendee's profession and meeting the reasonableness standard of the foreign seminar rules. The formal meetings will be scheduled with lectures and discussions. Seminars in conference rooms, clinics or hospitals will be conducted by in-country speakers as well as distinguished faculty of the Professional Education Society.

Documentation verifying the scheduling dates, locations, hours of attendance, certificate of participation, and appropriate certificate of continuing medical, dental or nursing education will be provided at the completion of the conference. Tax deductible benefits are not guaranteed, and we recommend that every attendee should consult with their Tax Consultant about their Individual situation to determine the appropriate amount and reporting of deductible expenses.
