

The Professional Education Society invites you to join our CME/CE Seminar for Medical, Dental, Nursing and Allied Healthcare Professionals

# Rhine Castles & Swiss Alps

Amsterdam to Basel on AmaWaterways AmaVenita

September 15 – 22, 2026

Netherlands | Germany | France | Switzerland | Optional Lake Como Post-Cruise

Join PES on an enchanting 7-night Rhine River cruise to uncover fairytale-like castles, historic hillside vineyards, and the spectacular panoramas of the Swiss Alps aboard AmaWaterways' 162-guest river ship, AmaVenita

## River Cruise Itinerary Highlights:

- Overnight in **Amsterdam** and delight in a canal cruise
- Visit **Cologne's** Cathedral or visit a local tavern for German beer tasting
- View castles along the **Rhine Gorge**, the most beautiful stretch of the river
- In **Rüdesheim** enjoy wine tasting or a gondola ride above the vineyards
- **Ludwigshafen** is your gateway to medieval **Heidelberg** and its red castle
- Historic **Strasbourg** looks straight from the pages of a fairytale
- Overnight in **Basel** and opt to explore **Lucerne**, a picturesque city surrounded by stunning alpine scenery
- Optional 3-night **Lake Como Post-Cruise Package**

## AmaWaterways Included Features:

- Award-winning dining in a variety of venues, featuring regionally inspired cuisine & locally sourced ingredients
- Included fine wine, beer, and soft drinks with lunch and dinner, sparkling wine with breakfast, and complimentary Sip & Sail Cocktail Hour
- Choice of included shore excursions in every port with gentle, regular, active & late-riser tour options, plus use of bicycles and walking sticks
- Daily onboard entertainment including lectures, port talks, nightly piano music, plus cultural and musical performances
- Inviting public spaces including the main lounge, sundeck pool, fitness center, massage & hair salon, and walking track

**Final Payment:** Wednesday, June 17, 2026

**The Professional Education Society invites you to join our CME/CE Lecture Seminar  
for Medical, Dental, Nursing and Allied Healthcare Professionals**

**Advancing Medical & Dental Patient Care and Prevention**

PES is fortunate to have dental and medical practitioners from a range of specialties participating in CME/CE sessions. Recognizing the value of inter-professional education, this program fosters collaboration among colleagues to gain cross-specialty perspectives and share updates on the prevention and treatment of disease. As healthcare systems across Europe adapt to emerging reforms, understanding best practices in improving patient care delivery and access to care is essential for today's healthcare professionals.

The Netherlands, Germany, and Switzerland are known for their high-quality healthcare systems and patient satisfaction. Countries in this region excel in preventative care, patient-centered delivery models, and advancements in medical technology. For example, Germany's healthcare system is often cited as one of the most efficient globally, balancing universal coverage with strong provider choice. Additionally, these countries maintain some of the lowest rates of cardiovascular disease and other chronic conditions in Europe, thanks to proactive health measures and innovative care approaches.

This program provides an ideal setting for medical and dental professionals to exchange insights and compare best practice strategies with international colleagues. By exploring cross-cultural approaches to healthcare delivery and disease prevention, participants will gain valuable knowledge to apply in their own professional settings, while broadening their understanding of evolving healthcare models in a global context.

- An Overview of Healthcare Systems Across Europe
- Oral Health Trends and Challenges in Europe
- Advancements in Dental Care: Treatment and Delivery Models
- The Role of Diet and Lifestyle in Disease Prevention and Management
- Key Health Challenges in Europe and Beyond: Issues and Innovations
- Current Insights in Travel Medicine and Maritime Healthcare

**Educational Goals:** Our goal is to provide unparalleled CME/CE travel opportunities for healthcare professionals that combine their most passionate destination desires with their educational goals, fostering exceptional learning experiences, friendships and connections with national and international colleagues.

- Conduct educational healthcare programs to learn about best practice models reflecting current approaches in medicine and healthcare across different cultures for providing quality patient outcomes
- Provide professional educational exchanges with international colleagues, healthcare educational organizations and clinics to gain cross-cultural perspectives and updates in the treatment and prevention of disease
- Allow medical/healthcare professionals to compare current best practices in medical/healthcare delivery to provide quality patient outcomes in their own professional setting

**Learning Objectives:** Keep abreast of rapid expansion of medical knowledge and current best practice models on multiple topics to facilitate change and thus provide continually excellent patient care. By design, this program permits medical experts to collaborate with colleagues and international counterparts to realize cross cultural viewpoints and updates within the treatment and prevention of disease and offers opportunities to compare and contrast current best practices to supply quality patient care and outcomes in their own professional setting.

Note: All sessions are lecture based, and we do not offer any participation/hands-on seminars.

**Continuing Education Recognition Awards offered for healthcare professionals on this PES Program include:**

**Physicians:** Programs are reviewed by the *American Academy of Family Physicians* for a minimum of 12 Prescribed Credit Hours. AAFP Prescribed credit is accepted by the American Medical Association as equivalent to AMA PRA Category 1 credit(s) toward the AMA Physician Recognition Award. When applying for the AMA PRA, Prescribed credit earned must be reported as Prescribed, not as Category 1.

**Dentists:** The *Professional Education Society* is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The *Professional Education Society* designates this activity for a minimum of 12 continuing education credits.

**Nurses:** The *Professional Education Society* is approved by the California Board of Registered Nursing, Provider Number CEP 5428, for up to 12 contact hours. Although the California Board of Registered Nursing does not approve individual continuing education courses, providers are required by law to be approved by the Board. Reciprocity for continuing education hours for nurses is available in most states. Please check with your regulation board regarding requirements.

**For Other Healthcare Professionals:** Certificates of Attendance are issued to all participants attending credit sessions and can be submitted for credit approval to their professional board. In order to receive a Certificate of Attendance, registrants must sign-in, attend the programs and complete a program evaluation.

**Tax Deduction:** This healthcare seminar has been designed to comply with current IRS convention rules and deductibility requirements under Code Section 274(h)(1) as directly related to the conduct of the attendee's profession and meeting the reasonableness standard of the foreign seminar rules. The formal meetings will be scheduled with lectures and discussions. Seminars in conference rooms, clinics or hospitals will be conducted by in-country speakers as well as distinguished faculty of the Professional Education Society.

Documentation verifying the scheduling dates, locations, hours of attendance, certificate of participation, and appropriate certificate of continuing medical, dental or nursing education will be provided at the completion of the conference. Tax deductible benefits are not guaranteed, and we recommend that every attendee should consult with their Tax Consultant about their Individual situation to determine the appropriate amount and reporting of deductible expenses.

**Disclosure:** Our PES Distinguished Speakers do not have any significant financial interest in or affiliation with any commercial supporter of this educational activity and/or with the manufacturer(s) of commercial products and/or providers of any commercial services discussed in this educational lecture presentation/material. The content of lecture material(s)/presentations(s) in this CME/CE activity will not include discussions of unapproved or investigational uses of products or devices.
